BESPOKE HAMPERS

The 3 Acres has been passed down through generations of our family for more than half a century. Steeped in countryside tradition, it has become something of an 'institution' for good food and hospitality with a wonderful atmosphere.

Now we're delighted to offer exquisite hampers from the heart of our beloved inn and named after our favourite grouse moors. We have created an inspiring hamper collection that carries the essence of The 3 Acres; a passion for fine food, for special ingredients and for those little luxuries that make life a pleasure. Presented with care and attention (because unwrapping gorgeous layers is all part of the magic), our speciality products are hand-picked and packed by our 3 Acres team, here in our wonderful corner of Yorkshire.

Enjoy the art of beautiful gifting...
