Pitchfork

Full bodied, unpasteurised dense & nutty cheddar from Trethowan's dairy in Somerset, with a juicy bite & creamy texture that rolls around the mouth.

Rollright

A washed-rind cow's milk cheese wrapped in a band of spruce bark, it's texture is soft & glossy & the flavour milky with woody notes.

Fourme d'Ambert

A semi-hard French blue cheese. One of France's oldest cheeses, it dates from as far back as Roman times. It is made from raw cow's milk from the Auvergne region of France.

Sinodun Hill

Sinodun Hill cheese is sweet, almondy & complex, with a thin, beautifully wrinkly coat that develops natural spots of blues, greys & greens over time

Sharpham Brie

Inspired by Maurice Ash, the Coulommier-style brie has been hand-crafted on the Sharpham Estate since 1981, making it one of the first British cheeses of its kind. Firm, creamy & mushy when young, it gradually softens as it matures, developing deeper savoury notes & a gentle chicory finish.
